

KEEP IN YOUR BAG

The New York City Police Department now conducts random searches of bags on the Subway.

Whether or not you believe this is a wise security precaution, do you think there should be public discussion about what the Fourth Amendment means and why it exists?

The Fourth Amendment to the U.S. Constitution

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.
